## McKinney-Vento Homeless Assistance Act

The McKinney-Vento Act provides specific rights for homeless students. These rights include waiving certain requirements, such as proof of residency, when students are enrolling and allowing categorical eligibility for certain services, such as free lunch. The Act also states:

- Students who are homeless may attend their school of origin or the school where they are temporarily residing.
- Parents or guardians of homeless students must be informed of educational and related opportunities.
- Students who are homeless may enroll without school, medical, or similar records.
- Students who are homeless and their families receive referrals to health, dental, mental health, substance abuse, housing, and other needed services.
- Students who are homeless have a right to transportation to school.
- Students must be provided a statement explaining why they are denied any service or enrollment.
- Students must be enrolled in school and receive services, such as transportation, while disputes are being settled.
- Students are automatically eligible for Title I services.
- School districts must reserve a portion of Title IA funds to serve homeless students.
- School districts must review and revise policies that serve as barriers to homeless students.
- Schools must post information in the community regarding the rights of homeless students and unaccompanied youth in schools and other places where homeless families may frequent and written in a language they can understand.
- School districts must identify a McKinney-Vento Liaison to assist students and their families.
